

# gimsons pronuneciation of english

gimsons pronunciation of english pdf - In phonetics, a stop, also known as a plosive or oral occlusive, is a consonant in which the vocal tract is blocked so that all airflow ceases. The occlusion may be made with the tongue blade (, ) or body (, ), lips (, ), or glottis (). Stops contrast with nasals, where the vocal tract is blocked but airflow continues through the nose, as ... Stop consonant - Wikipedia -
